

Dear Members,

In accordance with the Executive Order issued by the state of NJ, Glenpointe Fitness Center has ceased operation. [This order requires health clubs and other small business to close until further notice.](#)

At this point we do not have information on when we will be permitted to open again. When we have that timeline from the state we will of course share it with you.

We understand that many of you have questions regarding billing. Future draft payment will be suspended until business resumes. We appreciate your patience and understanding and above all else we wish you all good health.

We look forward to seeing you all back at Glenpointe when we are able to re-open.

Yours in Health,

The Glenpointe Management
